We are dedicated to meeting our customers' commitments while enabling them to respond to and recover from disasters and build resilient communities. The company philosophy of collaboration and partnership underlies our deep history of trusted relationships.

**2017**

## **Guidance Through Disaster Recovery**

NMA provided the City of Jersey City (CJC) Division of Community Development with technical assistance and guidance in the planning, administration, and implementation of the Community Development Block Grant, Housing Opportunities for Persons with AIDS, Emergency Solutions Grant, and HOME Investment Partnerships programs.

The program management and related services provided by the NMA team allowed CJC to administer a variety of grants to their community with consistent levels of quality.

“ NMA delivers to federal, state, and local agencies disaster recovery grant management support that provides a comprehensive, full life cycle solution. ”
