

**Manger of Business Analysis**  
**Permanent Position – Some In-Office Work**  
**Nashville, Tennessee**

**APPLICATION DEADLINE IS FEBRUARY 18, 2025 AT 11:59PM**

Dynamic Information Technology (IT) team on the leading edge of technology has a need for an experienced Manager of Business Analysis. Do you thrive in a fast-paced, collaborative team environment? Do you enjoy solving problems using critical thinking skills? Do you want to have challenging work every day where your creativity can be an asset? Then we want to meet you!

As the Manager of Business Analysis, you will play a critical role in shaping our agency's strategic direction by leading a team of analysts and partnering with cross-functional leaders. You will analyze new and existing vendor and THDA developed applications and advise on enhancements and new features. You will also provide support for developing reporting and other SQL based tasks. All of this to be part of the solution supporting the low-income housing needs of the State of Tennessee.

**MINIMUM REQUIREMENTS:**

- Bachelor's degree in Information Technology, Public Administration, Business Administration or related field
- Four years of experience in business process analysis, major computer system implementations, change management and/or major analytical or research studies
- Two years' experience in the role of supervisor, manager or team lead in a computer information systems environment
- Certified Business Analyst Professional (CBAP) certification preferred

**STARTING SALARY:** \$8,534 - \$9375

**BENEFITS:** THDA offers an excellent benefits package: medical, dental, vision, and life insurance options; disability insurance; retirement plans; flexible benefit pre-tax accounts for medical, dependent care, transportation, and parking; annual leave and sick leave that begin accruing after the first month of employment; and 12 paid holidays per year. We also offer work-life balance opportunities through alternative work schedules, flexible schedules, and telecommuting.
