## HCV PROGRAM NEWS

### HUD to Host Webinar on Improving Program Data

On the [HCV program trainings and resources](#) webpage, the Department of Housing and Urban Development ([HUD](#)) announced that it will host a webinar titled “Improving Program Data.” The live web conference will focus on the importance of timely and accurate household data (from the form HUD-50058) and how this data informs leasing success rates and help PHAs transition to eVMS. The webinar is scheduled for January 19, 2023, at 2:00 p.m. Eastern time. To register, click [here](#).

The HCV Utilization webinar series is intended to help Housing Choice Voucher (HCV) program administrators learn about the latest HCV resources, program guidance, policy changes, and best practices in HCV administration. You can find more information and watch previous webinars [here](#) on the [HCV website](#).

## GENERAL NEWS

### HUD Posts PHA Occupancy Webinar Materials

On the [HUD Exchange News webpage](#), HUD announced that it has posted the materials for the webinar titled “[PASS Physical Condition](#),” part of its [PHA Occupancy Webinar Series](#). The series helps PHAs gain a thorough understanding of a wide spectrum of topics related to occupancy as well as the knowledge on how to develop and implement solutions.

The webinar, held on November 30, 2022, assisted PHAs in gaining a thorough understanding of the importance of preparing for Real Estate Assessment Center ([REAC](#)) inspections and addressing Exigent Health and Safety ([EH&S](#)) deficiencies to ensure more families are housed in decent, safe, and affordable units. The materials posted include the [recording](#), [slides](#), [transcript](#), and [handout](#) of the webinar.

The next scheduled live web conference, “[Physical Needs Assessment \(PNA\)](#),” will take place on Wednesday, January 25, 2023, from 1:30 to 3:00 p.m. Eastern time. Click [here](#) for more information, including [instructions](#) on how to register.
