PIH Posts New Chapter to Updated HCV Guidebook Webpage

HUD’s Office of Public and Indian Housing (PIH) has posted the [Fair Housing and Nondiscrimination Requirements](#) chapter to its [webpage](#) dedicated to an updated version of the Housing Choice Voucher Program Guidebook.

As you recall, the new version of the book is being released chapter-by-chapter as “living documents,” and HUD intends to amend individual chapters as policies are refined. According to the webpage, the guidebook consolidates the most up-to-date requirements outlined in regulatory requirements, PIH notices, *Federal Register* notices, and other HUD guidance.

The content of the new guidebook is organized differently than the most current [complete version](#) of the book. So far, various chapters of the new version have been made available, while other chapter titles are listed on the page marked as “coming soon.”
