PH PROGRAM NEWS

Public Housing Waiting List Module Is Open

In an [email](#) yesterday via HUD's Financial Management Division (FMD) [mailing list](#), HUD's Office of Public and Indian Housing ([PIH](#)) announced that the public housing waiting list (PHWL) module is open as of January 2, 2025. The email also reminds PHAs that they must report the total number of families on the waiting lists as of the end of the calendar year (December 31, 2024) through the module in the [Public Housing Portal](#) before March 31, 2025.

As explained in the email, PHAs may report the number of families on an agency-wide waiting list, one or more site-based waiting lists, or a combination of the two. PHAs must be careful to count a family only once. Families that are on both an agency-wide and one or more site-based waiting lists can only be reported once in the PHA's waiting list submission.

The email includes links to two upcoming training sessions on the modules:

- [Tuesday, January 7, 2025, at 10:30 a.m. Eastern Time](#)
- [Wednesday, January 8, 2025, at 1:30 p.m. Eastern Time](#)

HUD also advises PHAs to watch the training [video](#) and review the [user guide](#) on the public housing waiting list submission for further details.
