PIH Posts Detailed Calculation Reports for October and November

HUD’s Office of Public and Indian Housing (PIH) has posted detailed calculation reports for the October and November operating subsidy obligations. The calculations are presented in the same format as obligation letters—the calculations are organized with all PHAs in the same state combined in a single file, which you can access through a map [here](#). The [explanation](#) and [letters](#) for October and November obligations were posted in September and beginning of October, respectively. You’ll find the links to the explanation, letters, and calculation reports on the [2024 operating fund grant processing](#) webpage at the [operating fund website](#).
