FSS Renewal Funding Priority Application Due Tomorrow

In an email sent yesterday, the Department of Housing and Urban Development ([HUD](#)) reminded PHAs that the priority application deadline for FY 2024 Family Self-Sufficiency ([FSS](#)) renewal funding is **tomorrow, November 1, 2024**. As you recall, on September 24, 2024, HUD published Notices [PIH 2024-32](#) and [PIH 2024-33](#), which describe how FSS programs will apply for their funding for calendar year 2025. HUD issued the two funding notices instead of a NOFO for FY 2024 FSS awards. The FY 2024 funding is available only to FSS programs that were funded in at least one of the last three years. HUD does not anticipate having funding available to new applicants this year. The final deadline for renewal applicants is June 30, 2025.
