PIH Reminds PHAs to Submit HUD-52723 and HUD-52722 Online Forms

In an [email](#) via HUD's Financial Management Division (FMD) [mailing list](#), HUD's Office of Public and Indian Housing (PIH) reminded PHAs that the HUD-52723/52722 online submission module in the [operating fund \(OpFund\) web portal](#) is open and ready for PHAs to submit their CY 2023 forms. PHAs must submit their HUD-52723 and HUD-52722 by **Wednesday, March 8, 2023**. The Department recommends that PHAs submit their forms early to avoid any issues that come from too many users using the OpFund web portal at the same time.

Additionally, PHAs can submit the latest form HUD-52574, PHA Board Resolution, as an attachment to the line for Cost of Independent Audits in form HUD-52723 Section 3 (Add Ons). PHAs must submit their HUD-52574 on or before **March 8, 2023**. For more instructions on how to upload it, follow the "Creating Comments and Uploading Documents" section on page 35 of the PHA [user guide](#) for the HUD-52723/52722 submission module. For additional support, contact your local field office.

As you know, the new online submission module replaces the Excel tools for the forms and introduces new enhancements for PHAs. Some of the enhancements include the ability to review three-year historical data from past forms and the ability to upload supporting documents as PHAs complete their forms.
