HUD Temporary Extends Deadline to Report in EPIC Core Activity Module

Yesterday on the Energy Performance and Information Center ([EPIC](#)) webpage, HUD's Office of Capital Improvements ([OCI](#)) announced that it has extended the deadline for PHAs to report in the EPIC core activity module. According to the announcement:

Due to the multiple problems PHAs were experiencing with this module beginning in mid-2020 and the fact that PHAs have more open grants than usual due to obligation and expenditure extensions through the CARES Act, the deadlines are being delayed by a quarter for each PHA fiscal year end (FYE) beginning with 12/31/2022 PHAs.

New deadlines for the next calendar year are as follows:

Public Housing Agency Fiscal Year End	Reporting Period
PHA Fiscal year ending December 31 (Q4 2022)	April 1 - May 15 2023 (Q1 2023)
PHA Fiscal year ending March 31 (Q1 2023)	July 1 - August 15th 2023 (Q2 2023)
PHA Fiscal year ending June 30 (Q2 2023)	October 1 - November 15 2023 (Q3 2023)
PHA Fiscal year ending September 30 (Q3 2023)	January 2024 - February 15 2024 (Q4 2023)

HUD notes, however, that PHAs wishing to stick to the original deadlines may do so, but EPIC resets each quarter and will only allow PHAs to work on a report for one quarter. HUD will revert to normal reporting schedule beginning in January of 2024 with 12/31/2023 PHAs.
