PIH Posts CY 2023 EDSC Guidance

On the CY 2023 operating fund grant processing webpage, HUD's Office of Public and Indian Housing (PIH) posted a guidance document for the calendar year (CY) 2023 Elderly/Disabled Services Coordinator (EDSC) program. The document notes that the EDSC program is not the same as the former ROSS-Elderly and Persons with Disabilities program or the current ROSS-Service Coordinators program—only PHAs that received funding in 1995 through the EDSC program are eligible to receive operating fund (OpFund) grant to finance this activity. The document states that eligible PHAs may obtain their CY 2023 EDSC funding level by multiplying their total CY 2022 EDSC funding level by the CY 2023 PEL inflation factor and making a reasonable allocation to the project level at the discretion of the PHA. The CY 2023 EDSC listing by PHA was also posted. Both documents are dated March 17, 2023. Further details can be found in the guidance.
