HUD Posts Stability Voucher Referral Form

On the HUD Exchange [resources library](#) webpage, the Department of Housing and Urban Development ([HUD](#)) has [posted](#) the stability voucher referral form, which is an optional application that Continuums of Care (CoCs) or other referring agencies can complete and submit to PHAs on behalf of families who may be eligible for a stability voucher. The form is available for download as a [PDF](#) file with fillable fields that can be sent directly to partners for completion and as a [Word](#) document that can be customized for other programs.

The [Stability Voucher](#) program makes housing choice voucher assistance available through a competitive process to PHAs that are partnering with local CoCs and/or victim service providers to assist households experiencing or at risk of experiencing homelessness, fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or human trafficking, and veterans and families that include a veteran family member that meets one of the proceeding criteria.
