HUD Posts HOTMA Resources for Residents

On the HUD Exchange [resources library](#) webpage, the Department of Housing and Urban Development ([HUD](#)) has posted the following HOTMA resources for residents:

- [HOTMA Resident Fact Sheet: Asset and Real Property Limitations](#), a resource that provides information for residents on the new rules, and exceptions, limiting assets and real property for families participating in public housing or HCV programs.
- [HOTMA Resident Worksheet: Asset and Real Property Limitations](#), a planning tool for families participating in public housing or HCV programs to help them organize information related to their assets and to understand if their family will be impacted by the asset limitation.

You'll find a link to the fact sheet [here](#) and to the worksheet [here](#).

MTW PROGRAM NEWS

HUD Selects PHAs for the Flexibility II Cohort

On the Moving to Work ([MTW](#)) Demonstration program webpage, the Department of Housing and Urban Development ([HUD](#)) announced that it has [selected](#) the PHAs for the fifth and final cohort of the [MTW Expansion](#). The [Flexibility II Cohort](#) will be comprised of 14 PHAs that administer 1,000 or fewer aggregate public housing and/or HCV units. The cohort will test the overall effects of MTW flexibility on a PHA and the residents it serves, with a particular focus on administrative efficiencies.
