PIH Posts FY 2023 RRI Approvals

On the [2023 operating fund grant processing webpage](#), HUD's Office of Public and Indian Housing (PIH) posted a document titled "Rate Reduction Incentive (RRI) - Approved Eligibility for Funding Year 2023." The 17-page spreadsheet, which is available as a PDF file, shows the total RRI eligibility for FY 2023. You can access the document [here](#).

The RRI is a financial incentive for PHAs that pursue special and significant efforts beyond what is required by statute and/or regulation to reduce their utility rate. Eligible PHAs can retain 50 to 100 percent of savings. Click [here](#) for the latest guidance on the use and eligibility of the RRI.
