GENERAL NEWS

HUD Posts Materials for Radon and HUD-Assisted Projects Webinar Series

On the [HUD Exchange News](#) webpage, the Department of Housing and Urban Development (HUD) [announced](#) that it has posted the materials for all the webinars in its series “Radon and HUD-Assisted Projects.” The series covers an overview of the environmental health risks of radon, existing state regulations, and the pathways of radon exposure, particularly how radon accumulates in buildings. It also reviews different methods of radon testing and mitigation techniques and HUD’s department-wide policy on radon. Click on the following links to access the materials for each webinar:
