**HUD Issues Final Rule Removing Criminal Conviction Restrictions for Fair Housing Testers**

On the [HUD Exchange News](#) webpage, the Department of Housing and Urban Development ([HUD](#)) announced that it has published a [prepublication copy](#) of its final rule that removes criminal conviction restrictions for fair housing testers.

Through this final rule, HUD eliminates restrictions for Fair Housing Initiatives Program ([FHIP](#)) grantees and for Fair Housing Assistance Program ([FHAP](#)) agencies that currently bar FHIP and FHAP entities from using fair housing testers with prior felony convictions or convictions of crimes involving fraud or perjury.

The final rule also ensures FHIP and FHAP funded entities can fully investigate criminal background screening policies that are potentially discriminatory under federal civil rights laws by using a diverse group of testers with actual criminal convictions.

The effective date of the rule will be 30 days after publication in the *Federal Register*.
