Public Housing Portal Opening PHA 5-Year and PHA Annual Plan

In an email sent this morning via HUD's Financial Management Division (FMD) [mailing list](#), HUD's Office of Public and Indian Housing ([PIH](#)) advised PHAs that the Public Housing Portal is opening the PHA 5-Year and PHA Annual Plan for PHAs with fiscal year ends (FYE) of 9/30 for calendar year (CY) 2024 and 12/31 for CY 2025. Per the announcement, this means that the modules will be live and any submission to HUD is a formal submission. HUD is asking that users ignore the message at the top of the page stating that the page is for demonstration and testing purposes only, as this message is incorrect and will be removed in two weeks.

The modules, which will provide PHAs with the ability to create and submit PHA plans and related certifications, are applicable to all PHAs (Standard, Troubled, High-Performer, Small, Housing Choice Voucher, and Qualified). PHAs will need to complete different variations of the HUD-50075 and certifications.

For guidance on how to complete the PHA 5-year and PHA annual plan, review Notice [PIH-2015-18](#). Additionally, the email includes the [PHA 5-Year Plan User Guide](#) and the [PHA Annual Plan User Guide](#).
