PH PROGRAM NEWS

52723/52722 Online Revision Module Now Open

In an [email](#) today via HUD's Financial Management Division (FMD) [mailing list](#), HUD's Office of Public and Indian Housing (PIH) announced that the HUD-52723 and HUD-52722 online revision submission module is now open. PHAs must collaborate with the local field office staff in finalizing their submission by **close of business June 14, 2024**.

According to the announcement, HUD will delete any revision submission in "Created" status after the submission due date and will not accept any revision submissions after June 14, 2024. PHAs may request revisions to their original CY 2024 operating subsidy grant submissions. Acceptable reasons for requesting revisions are described in the email. PHAs should contact their local field office for further guidance.

The email includes the [user guide](#) for the HUD-52723 and HUD-52722 submission.
