PIH Posts Detailed Calculation Reports for May and June

HUD's Office of Public and Indian Housing ([PIH](#)) has posted detailed calculation reports for operating subsidy obligations for May and June 2022. The calculations are presented in the same format as obligation letters—the calculations are organized with all PHAs in the same state combined in a single file, which you can access through a map [here](#). The explanation and letters for May and June obligations were posted in April and May, respectively.

You'll find links to the explanation, letters, and calculations reports on the [2022 operating fund grant processing page](#) at the [operating fund website](#).
