FMD Creates Tenant Protection Voucher Dashboard

The Housing Choice Voucher Financial Management Division ([FMD](#)) has created a [dashboard](#) for Tenant Protection Vouchers ([TPVs](#)) to provide property names and property ID numbers, when available, to stakeholders that may require this information. While the Department of Housing and Urban Development ([HUD](#)) announces TPV awards annually through a *Federal Register* notice, this information has not been reported previously due to *Federal Register* reporting limitations. Information on the dashboard is available for TPV actions awarded in fiscal year (FY) 2020 and beyond, sorting by state, PHA, and the year the TPV action occurred. The dashboard will be updated annually following publication of TPV awards in the *Federal Register*.

You can find more information on the new [dashboard](#), including the steps to locate the property name and ID number once in the dashboard, on [FMD page](#) at [HUD's website](#).
