PIH Posts Explanation of July, August, and September Obligations

HUD's Office of Public and Indian Housing (PIH) has [posted](#) a [document](#) explaining public housing operating fund obligations for July, August, and September 2022. According to the document, July, August, and September obligations are based on the interim eligibility determined after processing the 2022 operating subsidy forms. All operating subsidy obligations are cumulative, meaning that public housing projects are provided funding in the amount of nine twelfths of prorated eligibility.

For the July, August, and September funding, the Department considered 2022 interim eligibility to provide an interim proration level of approximately 104.33%. The final proration will reflect the difference in the amount of the actual eligibility for final approved PHA subsidy requests and the Appropriation Act. HUD plans to make this round of funding available through eLOCCS no later than July 1, 2022. The next round of funding is expected to be available in eLOCCS no later than October 3, 2022.

GENERAL NEWS

HUD Awards \$4 Million for Radon Testing and Mitigation

In a [press release](#) yesterday, HUD's Office of Lead Hazard Control and Healthy Homes ([OLHCHH](#)) announced that it has awarded \$4 million to nine PHAs to conduct radon testing and, as needed, radon mitigation in approximately 1,000 housing units. Where applicable, the funding will also support the development of PHAs' plans for future testing and mitigation.

The grants, awarded through HUD's new Radon Testing and Mitigation Demonstration program notice of funding availability ([NOFA](#)), will provide HUD with important information on methods and costs for radon testing and mitigation in public housing around the country.

The list of awardees and the amounts they will receive can be found at the bottom of the press release. Click [here](#) to see how the agencies will use the funding.

HCV PROGRAM NEWS

HUD Posts Materials for Webinar on Funding and Implementation Notice

On the [HCV Program Trainings and Resources](#) webpage, HUD has posted the [recording](#) and [presentation slides](#) for the "2022 Funding and Implementation Notice" webinar that was held on May 25, 2022. The live web conference provided an update on the 2022 HCV funding, reviewed the key details from the HCV implementation notice, and discussed resources available to help PHAs maximize program funds.

You can watch previous webinars [here](#) on the [HCV website](#).
