GENERAL NEWS

HUD Awards Nearly \$140 Million in Lead and Health Hazard Grants

In a [press release](#) yesterday, the Department of Housing and Urban Development ([HUD](#)) announced that it has awarded nearly \$140 million to 36 state and local government agencies to protect children and families from lead-based paint and other home health hazards. HUD provided the grants through the [Lead-Based Paint Hazard Reduction](#) grant program and its new Lead Hazard Reduction Capacity Building grant program to identify and clean up dangerous lead hazards and other health hazards in low-income families' homes. A state-by-state list of recipients is included in the press release. Click [here](#) for a project-by-project summary of the programs for which grants were awarded.

PIH Updates List of RAD Transfers

The Department of Housing and Urban Development ([HUD](#)) has posted an updated [list](#) of 2023 Rental Assistance Demonstration ([RAD](#)) transfers to the CY [2023 operating fund grant processing page](#). The document, dated July 27, 2023, lists the obligation and max RAD transfer amounts for January and February, March and April, May, June and July, and August and September, by PHA code. The document also lists the physical development, application number, removal action date, number of RAD units removed, retroactive removals non-RAD, retroactive removals RAD, standing ACC units as of January 1, 2023, and the cumulative percent. You'll find a link to the [document](#) and other operating fund grant processing resources on [this page](#) at the [Operating Fund website](#).
