HCV PROGRAM NEWS

HUD to Host Hybrid Event to Celebrate 50th Anniversary of HCV Program

On the Housing Choice Vouchers ([HCVs](#)) website, the Department of Housing and Urban Development ([HUD](#)) [announced](#) that it will host a hybrid event to celebrate the 50th anniversary of the HCV program. According to the announcement, the event will bring together researchers, former HUD officials, housing practitioners, and program participants to share insights into the program's impact over the past five decades. Attendees will hear about the latest research on program effectiveness, listen to retrospectives from former PIH leadership, and learn about the real-life experiences of voucher holders. The celebration will also explore the challenges and successes of the program and discuss its future role in addressing housing insecurity.

The event will take place on Wednesday, October 16, 2024, from 9:00 a.m. to 4:00 p.m. Eastern time, at HUD headquarters in Washington D.C. You can also attend virtually via live stream. Click [here](#) to register.

GENERAL NEWS

HUD Posts Radon Explainer Videos

On the [HUD Exchange News](#) webpage, the Department of Housing and Urban Development ([HUD](#)) [announced](#) that it has posted three animated videos that provide detailed information on radon [awareness and planning](#), [testing](#), and [mitigation](#). In conjunction with the accompanying fact sheets and infographics, the videos provide clear and specific information about radon gas, how to detect it, and how to fix and reduce radon in homes.
