HUD to Host Training on Rate Reduction Incentive Application Submission

In another [email](#) yesterday via HUD’s Financial Management Division (FMD) [mailing list](#), HUD’s Office of Public and Indian Housing ([PIH](#)) announced that it is hosting a training on how to submit rate reduction incentive ([RRI](#)) applications through the RRI module in the [Public Housing Portal](#). The training will take place Tomorrow, September 5, 2024, at 2:30 p.m. Eastern time. Click [here](#) to join.

The module provides PHAs with the ability to create and submit RRI applications to receive HUD approval in order to claim an RRI incentive on form HUD-52722 each year. PHAs must submit RRI applications between August 19 and September 30, 2024. No RRI applications or documentation will be accepted after September 30. The email includes the RRI [user guide](#) and Notice [PIH 2024-31](#), Guidance on the Rate Reduction Incentive in Public Housing.

The RRI is a financial incentive that provides additional operating fund grant formula eligibility to PHAs that pursue special and significant efforts beyond what is required by statute and/or regulation to reduce their utility rate.
